ABOUT US

- **20 years in the furniture industry.**

Since 2002, we have been proving that Ukrainian manufacturing companies can produce products of European level.

- **11 branches in Ukraine.**

HOSET is rapidly expanding its geography, constantly replenishing the range, improving the service, establishing cooperation with global brands, offering quality products of its own production and online services.

- **150 000 m² of storage, production and exhibition facilities.**

We know how to work with any materials: chipboard, MDF, artificial stone, wood, plastic, aluminum, steel, etc.

- **4 500 professionals.**

We strive to achieve the maximum result by our actions. Thanks to an exceptionally professional approach, we have taken and hold high positions in the furniture market.

Ukrainian company, which is dynamically developing and is a leader in the sale of furniture components and related services.

Our values

- **Trust and honesty**
- **Effectiveness**
- **Teamwork**
- **Caring for people**
- **Development**

ABOUT THE PRODUCT

We are constantly improving our products and services, evolving and implementing new ideas, improving and becoming better. And we aren't going to stop there.

Our 20 years of experience in the market of furniture components in Ukraine inspires us to explore new heights, to embody our skills in the finished product. We offer about 40 000 items of goods, express production and worldwide delivery.

WE ARE AMBITIOUS AND BRAVE, SO WE TOOK PART IN A NEW BIG PROJECT WITH A UKRAINIAN SOUL.

Each series has names that are associated with Ukraine and have a piece of our DNA. For example, these are plants that are considered folk symbols of Ukraine. Plants are sung in songs, used in ceremonies, embroidered on shirts and towels, they decorate houses for the holidays.

Viburnum is considered a symbol of home, the place where we were born. Willow is a symbol of beauty and continuity of life. Periwinkle symbolizes love and happy marriage.

**The simplest furniture
solutions are the best.**

OUR ADVANTAGES

1

RANGE AND SERVICES

We offer all types of furniture materials, as well as we can do all type of furniture and interior work.

- **Own production of fronts — TM Bel Viso.**

Choose sets of fittings and components for sliding wardrobes and interior partitions, as well as systems for storing clothes and accessories.

OUR ADVANTAGES

2

MASS
PRODUCTION
OF INDIVIDUAL
ORDERS

This catalog shows only a small part of our capabilities. We can and know how to make custom furniture. We specialize in the mass production of individual orders and perform more than 3000 of them every day. We achieved this result thanks to:

- **Automated production**
integrated with kanban and 5S system.
- **Special IT product**
registration and calculation of production orders.

- **Leading European brands of equipment,**
including Homag, IMA and Biesse.
- **Flexibility in fulfilling individual orders.**

OUR ADVANTAGES

3

THE WHOLE
RANGE
OF SERVICES

We provide the whole range of services:

- Designing a new collection of furniture if needed;
- Selection of materials and fittings;
- Production;
- Assembly;
- Packaging;
- Customs registration;
- Logistics.

OUR ADVANTAGES

4

THE LATEST
TECHNOLOGIES

We use advanced technologies and high-quality machines of world brands to provide a full range of production services.

OUR ADVANTAGES

5

QUALITY
CONTROL AND
OWN TESTING
FACILITIES

- **QC department that checks 100% orders for export.**

Each order has a reliable packaging that guarantees the integrity of the products during transportation.

- **Work with complaints.**

We take into account the wishes of customers, improve service quality and customer service.

- **Testing facilities.**

With the help of modern tools and devices, we determine the technical and operational characteristics of goods.

Hallway.

BEDROOM

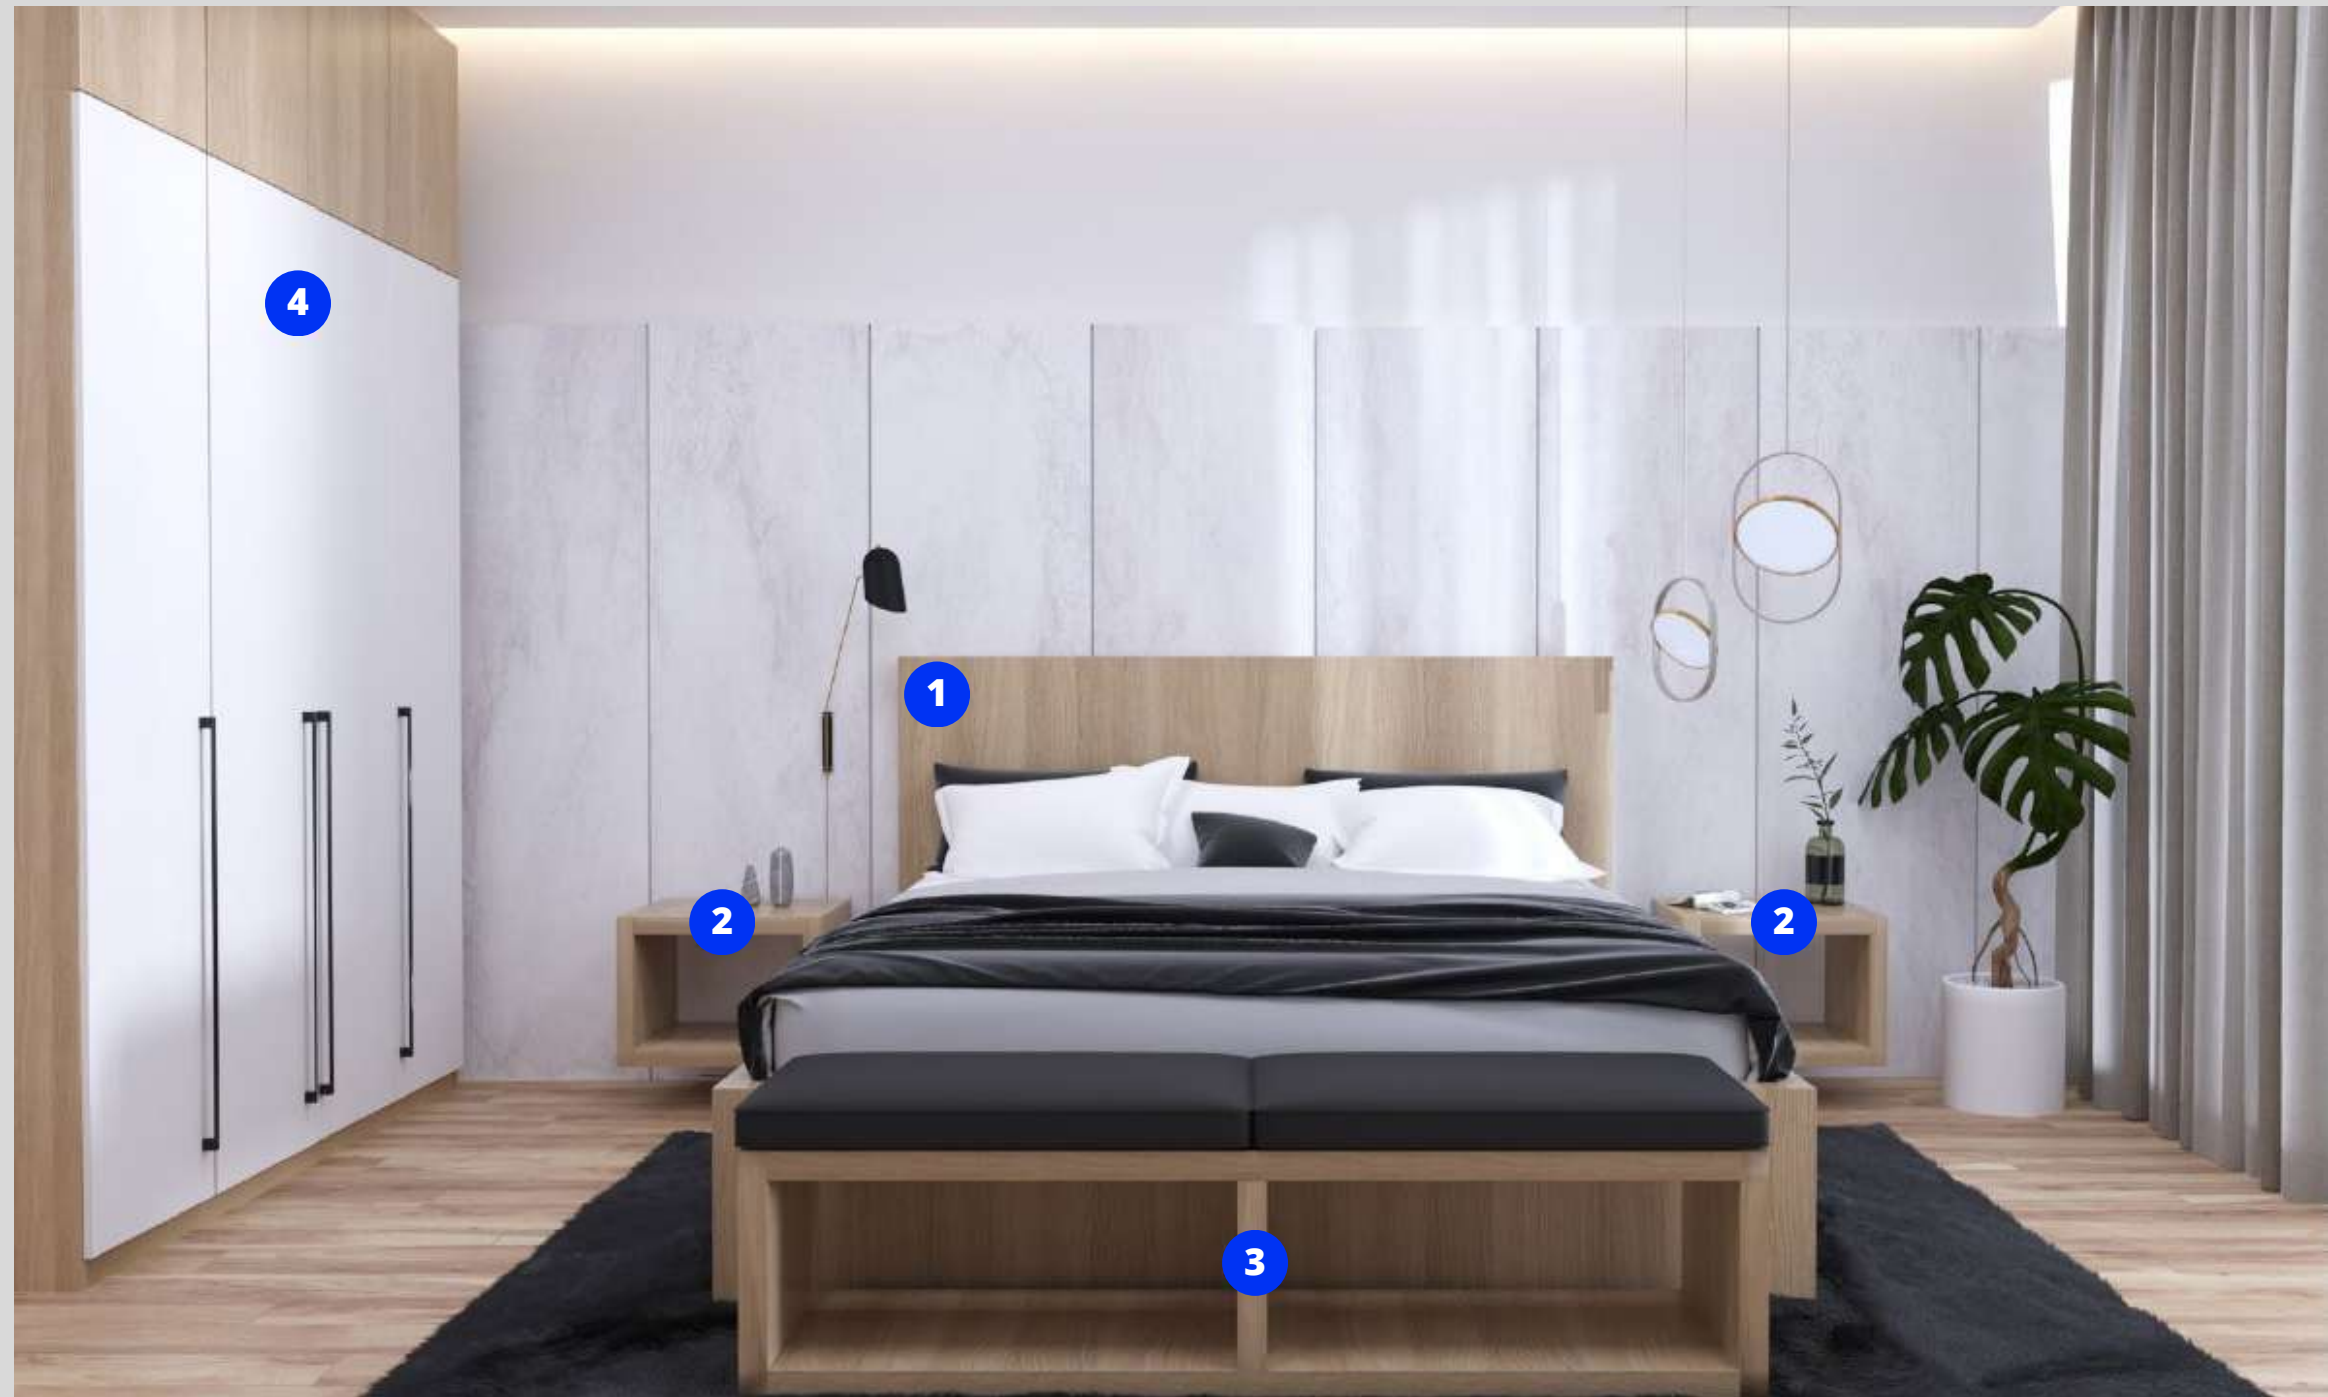

KALYNA

The combination of light wood and white color is always a win-win situation. All elements of the series are made of Kronospan chipboard, the color of which doesn't fade over time. Therefore, even if the furniture is exposed to direct sun light, it won't lose their aesthetics. The interior is completed by weightless night stands and a soft-topped banquette.
